# *INTRODUCCION*

STRD is a new way to use a crypto currency to reward those who dedicate their time to the wonderful world of trading and to those who educate in this matter or simply to the adrenaline lovers of this market.

We are a decentralized and anonymous encrypted currency that provides security, freedom and independence to all people through blockchain technology to create a world of opportunities. It is open source and accessible to all.

SOCIAL TRADERS COIN will have a POW, POS and MN phase

# *SOCIAL TRADERS MISSION*

Our mission is to provide our clients with a secure platform, where they can trade,  
hire professionals, acquire knowledge and share ideas.

It will be the first social network of operators with cryptocurrency in the world.

We made the decision to have a PoW / PoS / masternode currency. Having this  
masternode allows our

customers work in a more stable and faster way, resulting in a better customer  
experience and a more fluid cryptocurrency implementation. Our objective is  
clear

**SECURITY, TRANSPARENCY and EDUCATION**
